Amy Bruckman

If You Believe Kristin Hannah, 1993-12-04 With her bestselling novels *On Mystic Lake* and *Angel Falls*, Kristin Hannah became the fastest rising star in women's fiction today, distinguished as an amazingly sensitive writer who can tap into the deepest, most precious mysteries of the heart. *If You Believe* is one of her finest historical novels—a timeless tale of two lonely people who witness the miracle of second chances. Mariah Throckmorton was hiding from a past filled with scandal. Mad Dog Stone was a drifter looking for a few days' work. He walked into her life, threatening Mariah's peace of mind and stirring emotions she tried to hide. Their love was born against all odds, difficult to count on, impossible to hold. Together they would learn the bittersweet truth—that love only exists if you believe.

Do You Believe? Paul David Tripp, 2021-11-05 Bestselling Author Paul David Tripp Unpacks 12 Doctrines for Everyday Christian Living Doctrine—what Christians believe—directly influences how they live. The biblical truths about God, humanity, and the world are not merely about knowing more—they are also about loving God and making sense of this life and the life to come. But what happens when there is disparity between what believers confess and how they live? In his latest book, *Do You Believe?*, pastor and bestselling author Paul David Tripp takes a close look at 12 core doctrines and how they engage and transform the human heart and mind. According to Tripp, true belief is always lived. To demonstrate, he unpacks each doctrine and presents its relevance for the Christian life. As readers explore topics such as the doctrine of God, the holiness of God, and the doctrine of Scripture, they will be fueled to fall deeper in love with and stand in awe of their Creator and Father—putting the truths of God's word on display for all the world to see.

Do You Believe? Antonio Monda, 2007-11-13 Informal, revealing, unexpected, this book is a captivating and thought-provoking meditation how faith, in all its facets, remains profoundly relevant for and in our culture. “When the Italian writer Antonio Monda sat down to talk religion with American cultural leaders... he went straight for the big questions.” —O, The Oprah Magazine Some of the most well-known and well-respected cultural figures of our time enter into intimate and illuminating conversation about their personal beliefs, about belief itself, about religion, and about God. Antonio Monda is a disarming, rigorous interviewer, asking the most difficult questions (he often begins an interview point blank: “Do you believe in God?”) that lead to the most wide-ranging conversations. An ardent believer himself, Monda talks both with atheists (asked what she feels when she meets a believer, Grace Paley replies: “I respect his thinking and his beliefs, but at

the same time I think he's deluded") and other believers, their discussion ranging from personal images of God (Michael Cunningham sees God as a black woman, Derek Walcott as a wise old white man with a beard) to religion's place in American culture, from the afterlife to the concepts of good and evil, from fundamentalism to the Bible. And almost without fail, the conversations turn to questions of art and literature. Toni Morrison discusses Virginia Woolf and William Faulkner, Richard Ford invokes Wallace Stevens, and David Lynch draws attention to the religious aspects of Bu-uel, Fellini...and Harold Ramis's Groundhog Day.

Do You Believe? Travis Thrasher,2015-03-10 From the creators of the blockbuster film God's Not Dead comes a novel based on their follow-up film Do You Believe?—an inspiring, heart-stirring, and faith-affirming story about how God works in the lives of those who believe. When Pastor Matthew Wesley encounters a homeless man on a city street in the middle of the night, he can't imagine the series of life-changing events that will result from that brief moment. But as the stories and desperate circumstances of several people—including a couple struggling to make ends meet, a soldier trying to rejoin society, a pregnant and homeless teenager, and an elderly couple still grieving the loss of their only child—intertwine and come together during one climactic night, they all must work together to overcome their struggles before all is lost. Evocative and moving, this sweeping narrative challenges you to confront the question: Do you really believe in the power of the cross, and if so, what are you going to do about it?

After You Believe N. T. Wright,2010-03-02 From the author of the acclaimed *Simply Christian* and *Surprised by Hope* comes a book that addresses the question that has plagued humans for centuries—what is our purpose? As Christians, what are we to do with that ambiguous time between baptism and the funeral? It's easy to become preoccupied with who gets into heaven; the real challenge is how we are going to live in the here and now. Wright dispels the common misconception that Christian living is nothing more than a checklist of dos and don'ts. Nor is it a prescription to follow your heart wherever it may lead. Instead, *After You Believe* reveals the Bible's call for a revolution—a transformation of character that takes us beyond our earthly pursuit of money, sex, and power into a virtuous state of living that allows us to reflect God and live more worshipful, fulfilling lives. We are all spiritual seekers, intuitively knowing there is more to life than we suspect. This is a book for anyone who is hoping there is something more while we're here on Earth. There is. We are being called to join the revolution, and Wright insightfully encourages readers to find new purpose and clarity by taking us on an eye-opening journey through key biblical passages that promise to radically alter the work of the church and the direction of our lives.

Worthy Elyse Fitzpatrick, Eric Schumacher,2020-02-04 What does the Bible say about the value of women? Does the Bible teach that women are as valuable as men or does it portray them as somehow more flawed, more suspect, or weak and easily deceived? Beginning from Genesis and working all the way through the storyline of the Bible, *Worthy* demonstrates the significant and yes, even surprising, ways that God has used women to accomplish His kingdom goals. Because, like men,

they are created in His image, their lives reflect and declare His worth. Worthy will enable and encourage both men and women to embrace this true and lofty vision of God's creation, plan, and their value in His eyes. Bestselling author Elyse Fitzpatrick and pastor Eric Schumacher together invite women to embrace a transformative and empowering view of their Maker, themselves, and the church. But this isn't only a book for women. It is also a book for men, especially leaders, who want to grow in their understanding of God's perspective on women, people who normally make up the majority of their congregations; men who might be wondering if they've missed something amid the abuse scandals that are rocking the church. Might the headlines they're reading today about abuse have their roots in a denigration of the value and worth of women? *Worthy: Celebrating the Value of Women* will help every reader see the value, place, and calling of women through study questions and a *Digging Deeper* section that will help men and women discover how to cherish, value, and honor one another for God's glory.

Do You Really Believe What You Say You Believe? Rodney Hobson, 2019-02-21 A Christian's growth is dependent on what they say they know regarding Christ and what they say they believe about Christ and the application of those beliefs in their circumstances. The Bible is filled with examples of men and women who believed in God and Christ, yet struggled to believe what they heard, read, and said they believed. Abraham and Sarah, Zechariah, Jesus disciples, Paul, and others had issues of believing what they heard or what was written in scripture. What does it mean when a person says, I believe in God? How does unbelief affect what a Christian believes? Does what a person believes limit their ability to produce the truths of Christ and its results in their lives? This book is written to explore the challenges of believing the Word of God and learning how to produce the results of those beliefs in their lives.

He shares his celebrations, disappointments, cries for help, confessions, and confusions in the form of 120 meditations that were written over many years through various joys and struggles. Vulnerable yet pastoral and wise, these meditations in the form of verse showcase how God's amazing grace intersects with the mundane, unexpected, messy, and beautiful moments of everyday life.

Do You Believe in Magic? Annie Gottlieb, 1988 The generation that vowed never to trust anyone over 30 is turning 40. When You Believe Jessica Barksdale Inclin,2007 On the run from three ruthless killers, San Francisco poet Miranda Stead unwittingly enters into a strange and secret realm where she is drawn to Sariel Valasay, a magical telepath and healer who, after one night of undeniable passion, must make her forget his world and his people.

Do You Believe? William E. Marsh,2020-10-11 We all believe. Be it in love, God, Santa Claus, or the workings of an internal combustion engine, we all believe in something. After all, we're only human. Belief, however, is hardly black and white. It's one thing to believe in things we can see. It's quite another to believe in things we cannot. And another task altogether to trust in things we cannot see. Like God. Faith isn't easy. But it's us: we're finite beings. Faith recognizes our limits; it acknowledges life's ambiguity. And it counters these with its understanding of what is most true—God. This book is a story about faith. It's a story of learning to trust in a supernatural God in a material world. It's a meditation on living with, as philosopher Soren Kierkegaard put it, "objective uncertainty." It's a tale of learning to live with an invisible God.

Caring for One Another Edward T. Welch,2018-07-20 Imagine . . . an interconnected group of people who entrust themselves to each other. You can speak of your pain, and someone responds with compassion and prayer. You can speak of your joys, and someone rejoices with you. You can ask for help with sinful struggles, and someone prays with you. The goal of this book is that these meaningful relationships will become a natural part of daily life in your church. With short chapters and discussion questions meant to be read in a group setting, Ed Welch guides small groups through eight lessons that show what it looks like when ordinary, needy people care for other ordinary, needy people in everyday life.

Do You Believe in Magic? Paul A. Offit, M.D.,2013-06-18 Medical expert Paul A. Offit, M.D., offers a scathing exposé of the alternative medicine industry, revealing how even though some popular therapies are remarkably helpful due to the placebo response, many of them are ineffective, expensive, and even deadly. Dr. Offit reveals how alternative medicine—an unregulated industry under no legal obligation to prove its claims or admit its risks—can actually be harmful to our health. Using dramatic real-life stories, Offit separates the sense from the nonsense, showing why any therapy—alternative or traditional—should be scrutinized. He also shows how some nontraditional methods can do a great deal of good, in some cases exceeding therapies offered by conventional practitioners. An outspoken advocate for science-based health advocacy who is not afraid to take on media celebrities who promote alternative practices, Dr. Offit advises, "There's no such thing as alternative medicine. There's only medicine that works and medicine that doesn't."

The author of the book lives only a few minutes away and Rose can't resist seeking him out. She understands why his book affected her sister: the author creates an

evil so palpable it shakes even skeptical Rose. Vic Drummond, the writer, knew Rose's sister, and agrees to help Rose find her; Rose expected him to be reclusive and strange, but she didn't expect him to be quite so . . . attractive. As their search intensifies, Rose finds herself inexorably drawn to Vic, but it seems to Rose that their feelings for each other are being influenced by some outside force-she knows love at first sight doesn't exist. As they come closer to finding Joan, Rose and Vic journey from the local church to a mysterious sex club whose members dress in demon costumes. The more they learn about what Joan was doing in the days before her disappearance, the more questions they have, until Rose must decide: Does she believe in real evil?
