Total Cat Mojo Jackson Galaxy,2017-10-31 This comprehensive cat care guide from the star of the hit Animal Planet show My Cat from Hell, Jackson Galaxy, shows us how to eliminate feline behavioral problems by understanding cats' instinctive behavior. Cat Mojo is the confidence that cats exhibit when they are at ease in their environment and in touch with their natural instincts—to hunt, catch, kill, eat, groom, and sleep. Problems such as litter box avoidance and aggression arise when cats lack this confidence. Jackson Galaxy's number one piece of advice to his clients is to help their cats harness their mojo. This book is his most comprehensive guide yet to cat behavior and basic cat care, rooted in understanding cats better. From getting kittens off to the right start socially, to taking care of cats in their senior years, and everything in between, this book addresses the head-to-toe physical and emotional needs of cats—whether related to grooming, nutrition, play, or stress-free trips to the vet.

Animated Performance Nancy Beiman,2021-02-11 Animated Performance shows how a character can seemingly 'come to life' when their movements reflect the emotional or narrative context of their situation: when they start to 'perform'. The many tips, examples and exercises from a veteran of the animation industry will help readers harness the flexibility of

animation to portray a limitless variety of characters and ensure that no two performances are ever alike. More than 300 color illustrations demonstrate how animal and fantasy characters can live and move without losing their non-human qualities and interviews with Disney animators Art Babbitt, Frank Thomas, Ollie Johnston and Ellen Woodbury make this a unique insight into bringing a whole world of characters to life. New to the second edition: A new chapter with introductory exercises to introduce beginner animators to the the world of animated acting; dozens of new assignments and examples focusing on designing and animating fantasy and animal characters.
